

EMERGE COMPANY

PROGRAM INFORMATION AND GUIDELINES

Canberra Youth Theatre is thrilled to be launching the Emerge Company in 2021.

Canberra Youth Theatre's Emerge Company is a new training and professional development program for early-career theatre makers aged 18 to 25 years.

This exciting new program brings together actors, writers, directors, and theatre makers to collaborate, train, and create both as individual artists and as an ensemble.

Mentored by industry professionals, the Emerge Company will explore collaborative theatre making processes, and equip participants with the skills to develop their own work and produce independent theatre. This program is for emerging artists eager to develop creative skills, challenge their artistic practice, and gain the tools to build a sustainable career in the arts. Artists will work together to form a company and create an imaginative and dynamic new work with a public presentation. This program will showcase the work of our most promising emerging theatre makers.

The Emerge Company is a collaborative ensemble, and all artists will be involved in performance training, as well as other specific disciplines.

WHO CAN GET INVOLVED ?

Emerge Company is open to early career artists aged 18 - 25 to participate in training and creative development, build creative networks and explore artistic practice.

AUDITION & INTERVIEW PROCESS

Auditions / Interviews will take place on **Tuesday 2 March from 7-9pm.**

As a member of the Emerge Company, you will work collaboratively as an ensemble, and all artists will be involved in performance training, as well as other specific disciplines. The audition / interview will reflect this.

Applicants will participate in ensemble work and, whether you're an actor or not, you will need to present a 2-minute contemporary monologue. If you're a writer, a theatre maker, or specialise in another discipline, you can present something that reflects your artistic practice.

You will also have a chat with our Artistic Director about your artistic practice and why you'd like to be involved in the Emerge Company.
